DETAILED ACTION

Allowable Subject Matter

1. Claims 13, 14 and 17-22 are allowable.

The following is a statement of reasons for allowance: The prior art does not anticipate, nor does it suggest, the invention as claimed in claims 13, 14 and 17-22. The prior art does not disclose the additional limitation of the steps of determining an overlap interval, determining if the overlap interval is valid, calculating a value for each line based on the overlap interval if the interval is valid, comparing the values for each line if the overlap interval is valid and detecting line crossover based on the comparison if the overlap interval is valid.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
